

Year 4 Newsletter

Week 4 – Week beginning Sunday 24th January 2021

Dear Parents,

It is very heartening to see the children tackle new challenges in their learning with such eagerness and a real ‘give it a go’ approach. We thank you all for helping the children to prepare for their learning, especially in Maths and English.

We should be in a position in near future to announce the book exchange day. Thank you very much for your patience. We will be focussing on punctuality to lessons starting on Sunday, 24th January. Please ensure the children are ready for learning by 8.00 every morning, with their school uniform and correct equipment, there will be some prizes for consistently punctual children.

We have our annual ‘Silly Sock Day’ on Wednesday, 27th January. Please encourage your child to come to class with a silly sock – this doesn’t need to be their feet!! Please help them to be creative as possible. There are many resources you can use including: colour pens, pencils, paint, crayons, glitter, eyes, wool, cotton wool. We will be having a class based activity on the day too. We look forward to the creativity. Further details will be included in ClassDojo.

Dates to look out for:

27th January 2021 – Silly Sock Day

7th February 2021 – Science Week

14th February 2021 – Family Appreciation Day

Our learning for this week:

English	I can use imperative verbs I can use rhetorical questions in my writing I can plan a formal letter (persuasive) I can edit and redraft my work, using a dictionary
Handwriting	Focussing joints of ‘ea’ and ‘f’.
Maths	I can find unit fractions of a quantity and non-unit fractions of a quantity I can solve more complex problems for fractions of a quantity Consolidation of learning Times table
Science	I can explain how different sounds travel (through various experiments) I can understand how the ear works
Topic	I can discuss the area around River Nile and how food was produced there. I can discuss the importance of the River Nile to the Ancient Egyptians
Spelling	breath breathe early learn heart heard tear feared leap leapt teary hearing measure area weather already near rear teach instead
Daily Reading	Please continue with this beneficial practice. Do please remember to record the name of the book (along with the date) in their book ‘Log Book’

We wish you all a wonderful week. Stay safe.

Best wishes,

The Year 4 Team
